COMMERCIAL LEASE

Lot 85 Galpu Road, Yirrkala

Yirrkala is a Yolngu community of approximately 1000 people located 18 kilometres from Nhulunbuy, approximately a 15 minute drive. Like most communities across East Arnhem Land, there is limited residential or commercial real estate for lease and access to vacant land to build a site is even tougher.

When there are significant projects within a community, access to infrastructure and accommodation is extremely important to the success of a project.

We have two large fenced sites between 1000-2000m2 available for lease.

Rent will be negotiated depending on the m2 leased.

Lift Off – The first commercial rocket launch in Australian history has been successfully launched from the Arnhem Space Centre.

Yes, you heard it right! We have rockets launching in East Arnhem Land! On Sunday 26 June at 10.44pm, the first of three sounding rockets launched from the Arnhem Space Centre on the Gove Peninsula. This is the first commercial launch in Australian space history and the first time NASA has launched rockets from Australia since 1995.

In June and July 2022, three rocket launches will take place from the Arnhem Space Centre:

LAUNCH #2 - Monday 4 July @ 8:24pm

LAUNCH #3 - Tuesday 12 July @ 8:27pm

If you're in Nhulunbuy and surrounding areas, we have good news - if you have a direct line of sight into the sky, you will be able to see the rocket approximately 10 seconds after launch, and it will be visible for ~30 seconds depending on cloud cover.
